

DOT DRUG & ALCOHOL TESTING

**DRUG TESTING
COLLECTION IN
PROGRESS**

**DO NOT
ENTER**

Authorized Personnel Only

Post on the collection-room door during DOT collections · 49 CFR Part 40

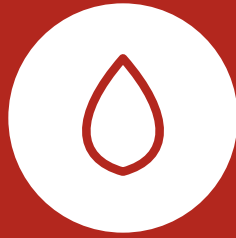

DOT DRUG TEST COLLECTION AREA

- Do not flush the toilet.
- Do not wash your hands until instructed.
- Do not add anything to the specimen.
- Do not remove anything from this room.
- Return the specimen directly to the collector immediately after collection.

DO NOT FLUSH

To preserve collection integrity, do not flush the toilet after providing the specimen.

DO NOT USE WATER

Do not turn on the faucet, use soap, or wash your hands until instructed by the collector.

FOR THE DONOR

SPECIMEN COLLECTION INSTRUCTIONS

- 1 Provide the urine specimen in the collection container.
- 2 Keep the specimen in your possession.
- 3 Do not flush.
- 4 Do not wash hands.
- 5 Return the specimen directly to the collector immediately.

RESTRICTED AREA

AUTHORIZED PERSONNEL ONLY

Drug and alcohol testing materials and collection
areas are restricted.

No unauthorized access permitted.

SPECIMEN INTEGRITY NOTICE

Tampering, adulterating, substituting, or attempting to alter a specimen may be treated as a refusal to test under DOT procedures.

BEFORE EACH DOT URINE COLLECTION

- Secure water sources.
- Ensure toilet water is blue.
- Remove soap, cleaners, and possible adulterants.
- Inspect for unauthorized substances.
- Restrict access to the collection area.

FOR THE DONOR

BEFORE YOUR TEST

- Empty your pockets and show the items to the collector.
- Remove outer garments such as a coat, jacket, hat, or coveralls.
- Leave bags, purses, and briefcases outside the collection area.
- Wash and dry your hands when the collector directs you.

BEFORE TESTING BEGINS

PHOTO ID REQUIRED

You must present a valid, government-issued photo identification before a DOT drug or alcohol test can begin.

Please have your photo ID ready.

WAITING AREA

Please wait here until the collector calls you for
your DOT drug or alcohol test.

**Once you have checked in, do not leave the testing
site.**
